

5th November 18

Timetable change November 2018

Dear Parent/Carer

Due to unforeseen circumstances there will be a timetable change from the week beginning 19th November. This is to accommodate changes to the teaching of Year 11. We will still maintain a week A and B timetable, the week beginning 19th November will be week A.

There will be changes to lesson times and there may be changes of classrooms and staff for individual subjects. Time will be spent in advisory groups to familiarise pupils with these changes and to support the transition to the new timetable.

As soon as the timetable is finalised, I will share this with pupils. If you have any queries regarding the new timetable when it is issued, please do not hesitate to contact your son/daughters Advisor or Year Manager and they will be happy to answer any questions. Other staff are available to support your queries too, our SENDCo Mrs Johnson or our Assistant SENDCo Miss Dixon are more than happy to discuss the changes to the support timetable.

Thank you for your continued support.

Yours sincerely,

Mr Steven Clough
Headteacher
