Year 11 cycle 2 mocks and revision timetable

Dear parent/carer,

Your child's cycle 2 mocks begin on the 7th February. During our last mocks, over half of the students told us that they didn't have a revision timetable. Therefore, to help them prepare for these mocks, we have created the below timetable to help them organise when to revise each subject. We have created this using the 2,3,5,7 revision strategy to space out learning. Can we please ask for your support in ensuring your child is doing the necessary revision each night. Your child won't do all of these subjects so they will need to cross out the ones that they don't.
