TANFIELD SCHOOL

Specialist College of Science and Engineering

Headteacher
Mr S Clough BSC Hons. NPQH

24 September 2018

Dear Parents/Carers

SCHOOL FUNDING THROUGH FREE SCHOOL MEALS AND ARMED FORCES CHILDREN

Your child's school receives funding from the Government to cover the costs of providing education. This can include all school running costs, such as employing teachers and support staff, books and equipment, computers and expenses on our school building.

The school is given **more** money if we have children who are **entitled to a free school meal or have a parent in the armed forces.**

If your child falls into either of these categories please contact the school office.

It is in **all** our interests that we bring in as much money as we can to support our school and ensure children get the best possible education.

Many thanks for your help. Our aim is to ensure that our school obtains all the Government funds that are available.

Yours sincerely

Mr S Clough
Headteacher
