Dear Parents and Carers,

We are very excited to be introducing School Gateway to Tanfield School – a parent engagement app that will allow you to communicate with the school, view your child’s achievements and reports, and access ParentPay at any time from anywhere.

All school related communication, newsletters, reports, timetables and attendance figures will go through School Gateway **from 11th February**. To stay up to date with what’s going on at school make sure you download the app for free. Just search School Gateway in your App store and download.

The app is for student contacts who are listed as having parental responsibility. Login details will be automatically generated using the email address Tanfield School has on the system (these have been taken from ParentPay). A test email will be sent to this address on **Monday 4th February** from **SC8404099a@schoolcomms.com**. If you do not receive this test email, please fill in the Parental Contact – Schoolcomms Form on the school website.

If you have any questions or would like some more information, please see the School Gateway site here: <https://schoolgateway.co.uk/> or contact Mrs L Moralee at **schoolcomms@tanfieldschool.co.uk**

You can also login to the online version of School Gateway via the website if you do not have a smart phone, although we do recommend using the app if possible as it makes it far easier to contact parents when we need to.

Kind regards,

A handwritten signature in black ink, appearing to read 'S Clough'.
