

TANFIELD
SCHOOL

HARD WORK | TRUST | FAIRNESS

19th August 2020

Dear parent/carer,

As you will be aware, it is results day tomorrow. As mentioned in a previous letter, the results will be emailed to your child's school email address at 9am. There will be a test email sent out today. If your child does not receive this email by 3pm can you please let us know using the help@tanfieldschool.co.uk email address. It will come from a weird looking email address but will have Tanfield test email as the subject.

You may have also seen that there has been a U-turn by the government to give students the higher of their centre assessed grades and the algorithm grade. However, the late nature of this decision has meant that one exam board (OCR Cambridge National) has been unable to get their grades out in time. Tomorrow students will receive most of their grades, however, if they take Sport Science, Health and Social Care or Child Development those grades will be missing. We expect the grades to be released to us next week and we will send them out then.

There will be members of the senior leadership team available to go through the grades with you, along with a careers advisor if your child needs some advice about what their grades may mean for their future during tomorrow morning.

To book a time slot, you simply need to click on this link:

<https://calendly.com/resultsday2020/tanfield>.

When opened, you will see that the 20th August has a blue circle around it. Click on that date and choose a time. You will be asked to confirm your time and to fill in some details about your child, your email and any other information you think we need to know. If you are attending a meeting can you please make sure to bring a face covering and ensure you stay 2 metres away from other people.

If there are any questions about tomorrow please use the email address above.

Your sincerely,

Mr S Clough
Headteacher

TANFIELD SCHOOL
