HARD WORK | TRUST | FAIRNESS

8th December 2023

Parents' Evening

Dear Parent/Carer,

TeamTanfield has your child at the centre of the team with your entire family and all of our staff around them, working together, to ensure that they are as successful as possible when they leave school. Parents evenings are an opportunity for this team to come together and discuss how things are going and how we can ensure you and your child knows what they need to do to be successful. **Therefore, we are having a parents evening for year 9 on Tuesday 9th January.** This will be an opportunity to discuss with all of your child's subject teachers, how they have settled in and how they have performed in their cycle 1 assessments.

We will be running this evening in person. **Appointments will be released at 6pm Monday 11th December, with log in details provided in a separate communication.** This will hopefully ensure that those parents who are at work don't miss out on getting appointments.

As always, you do not need to wait until a parent's evening to contact the school with any issues you may have. We want to know about them as soon as possible so that we can work together to resolve them. Therefore, please feel free to contact us at any time.

Thank you once again for your support.

Mr S Clough
