HARD WORK | TRUST | FAIRNESS

2nd November 2021

Dear parent/ carer,

At Tanfield School, we are committed to helping all of our students to attend the best university, or real alternative, succeed in their dream job and thrive in all aspects of their life.

I am delighted to say that there will be careers interviews over the coming months for all of our year 11 students. They will be with trained, independent careers advisors offering advice on courses and helping students to get onto the right pathway for their chosen career. The interviews will take place in school and students will be notified of their appointment times.

Thank you also for your time in completing the recent careers survey. We have adapted our careers programme in response to this. It is attached and on the school website.

Should you have any questions, please do not hesitate to get in touch.

Kind regards,

Dr Catherine Quigley
