

TANFIELD
SCHOOL

HARD WORK | TRUST | FAIRNESS

Dear parent/carer,

I hope all is well with you and your family.

We have tried to leave it as late in the term as possible to make a decision about results day, as we would have liked to have run it as normal with all students coming in together. However, with the virus still being around, we don't think it would be sensible to do it in our usual way.

We will be sending out results to your child's school email address by **9am on the 20th August**. Therefore, can you please make sure that your child can access this email and if there are any problems, let us know by using the help@tanfieldschool.co.uk email address.

We realise that this is not ideal, as you may want to speak to someone about the results. Therefore, we are going to have drop ins throughout the morning that can be booked using the following link:

<https://calendly.com/resultsday2020/tanfield>

There will be members of the senior leadership team available to go through the grades with you, along with a careers advisor if your child needs some advice about what their grades may mean for their future.

To book a time slot, you simply need to click on the link. When opened, you will see that the 20th August has a blue circle around it. Click on that date and choose a time. You will be asked to confirm your time and then you will be asked to fill in some details about your child, your email and any other information you think we need to know.

If there are any questions please use the email address above.

Your sincerely,

Steven Clough
Headteacher
