AIMS

Tanfield School seeks to ensure that all of its students receive an education which maximises opportunities for each student to realise their true potential. The school will strive to provide a calm, orderly, safe, and supportive environment where all students want to be and are keen and ready to learn within a culture that promotes the benefits of high attendance.

Regular school attendance plays a vital role in children's wellbeing and education, ensuring that their current learning needs are being met but also building their future ability to learn.

As attendance is the essential foundation to positive outcomes for all students, improving attendance is everyone's business, a concerted effort across all teaching and non-teaching staff in school, the governing body, the local authority, and other local partners.

Some students find it harder than others to attend school and therefore at all stages of improving attendance, the school and partners will work with students and parents to remove any barriers to attendance by building strong and trusting relationships and working together to put the right support in place.

We recognise that the relationship between the attendance and achievement of school is inextricably linked

This policy is supported by our policies on safeguarding, bullying and behaviour,

We are committed to meeting our obligation with regards to school attendance through our whole-school culture and ethos that values good attendance, including:

- Promoting good attendance.
- Reducing absence, including persistent and severe absence.
- Ensuring every student has access to the full-time education to which they are entitled.
- Acting early to address patterns of absence.

- Building strong relationships with families to ensure students have the support in place to attend school.

We will also promote and support punctuality in attending lessons.

- This policy meets the requirements of the [working together to improve school attendance](#) from the Department for Education (DfE), and refers to the DfE's statutory guidance on [school attendance parental responsibility measures](#). These documents are drawn from the following legislation setting out the legal powers and duties that govern school attendance:
 - Part 6 of [The Education Act 1996](#)
 - Part 3 of [The Education Act 2002](#)
 - Part 7 of [The Education and Inspections Act 2006](#)
 - [The Education \(Student Registration\) \(England\) Regulations 2006 \(and 2010, 2011, 2013, 2016 amendments\)](#)
 - [The Education \(Penalty Notices\) \(England\) \(Amendment\) Regulations 2013](#)
- This policy also refers to the DfE's guidance on the school census, which explains the persistent absence threshold.

WHY IS REGULAR ATTENDANCE SO IMPORTANT?

Being in school every day that it is open, is important to your child's achievement, wellbeing, and their wider development. There is a renewed national focus on maximising students' time in the classroom, as evidence shows that the schools with the highest attendance throughout their time in school gain the best GCSE and A Level results.

HERE'S WHAT THE DATA SHOWS:

Students with higher attainment at KS4 had lower levels of absence over the key stage compared to those with lower attainment.

Students who did not achieve grade 9 to 4 in English and maths GCSEs in 2019 had an overall absence rate of 8.8% over the key stage, compared with 5.2% among students who

achieved a grade 4 and 3.7% among students who achieved grade 9 to 5 in both English and maths.

Generally, the higher the percentage of sessions missed across key stage KS4, the lower the level of attainment at the end of the key stage.

Among students with no missed sessions over KS4, 83.7% achieved grades 9 to 4 in

THE SCHOOL AND ALL PARTNERS WILL WORK TOGETHER TO:

EXPECT

Aspire to high standards of attendance from all students and parents and build a culture where all can, and want to, be in school and ready to learn by prioritising attendance improvement across the school.

LISTEN AND UNDERSTAND

When a pattern is spotted, discuss with students and parents to listen to understand barriers to attendance and agree how all partners can work together to resolve them.

MONITOR

Rigorously use attendance data to identify patterns of poor attendance (at individual and cohort level) as soon as possible so all parties can work together to resolve them before they become entrenched.

FACILITATE SUPPORT

Remove barriers in school and help students and parents to access the support they need to overcome the barriers outside of school. This might include an early help or whole family plan where absence is a symptom of wider issues.

FORMALISE SUPPORT

Where absence persists and voluntary support is not working or not being engaged with, partners should work together to explain the consequences clearly and ensure support is also in place to enable families to respond. Depending on the circumstances this may include formalising support through a parenting contract or education supervision order.

TANFIELD SCHOOL WILL ENSURE THAT:

- All students have an equal right, and access to an education in accordance with the national curriculum, or agreed alternative.
- Students will not be deprived of their education opportunities by either their own absence or lateness, or that of other students.
- Action is taken where necessary to secure an improvement in attendance.

It is recognised that:

- The majority of students want to attend school to learn, to socialise with peers, and to prepare themselves fully to take their place in society.
- Students and their families may need to be supported at some stage in meeting attendance obligations and responsibilities.
- Students who attend and / or make significant improvements need to be rewarded and recognised.
- It is the responsibility of parents / carers to ensure their children's attendance to school as required by law (ref: Section 7, 1996 Education Act).

TEACHERS (ADVISORS) AND SUPPORT STAFF:

- Are responsible for recording attendance on a daily basis in Arbor. Staff must mark registers, on time and accurately using the correct codes, and submit this information. Registers should be taken within the first 10 minutes of a lesson, morning meeting or afternoon meeting.
- Ensure that they fully understand and are following the correct systems for recording attendance and that attendance is taken each lesson and session.
- Any school who is known to be in school but not in a lesson must be marked in Arbor as absent and reported as immediately as missing. This should be reported to a member of the pastoral team or business support via the on call system.
- Should be active in their approach to promoting good attendance to schools and their parents, which include forming honest, open relationships with families.
- Ensure that the School's teaching and learning experiences encourage regular attendance and that schools are taught the value of high attendance for their own personal progression and achievement.
- Ensure that the Attendance & Welfare Officer/Year Managers are kept fully aware and up to date with any concerns relating to the school that may impact on their attendance.
- In the event of a fire/drill advisors will accurately take paper registers provided by

business support. Any school missing must be reported immediately to a member of SLT or the pastoral team.

PARENTS AND CARERS

As part of our School approach to maintaining high attendance, we expect that parents / carers are expected to:

- Make sure their child attends school everyday during term time and is on time.
- Call the school to report their child's absence before 8.30am on the day of the and each subsequent day of absence, and advise when they are expected to return.
- Provide the school with more than 1 emergency contact number for their child
- Engage with their children's education – support their learning and take an interest in what they have been doing at the School.
- Promote the value of good education and the importance of regular school attendance at home.
- Depending on the nature of absence and illness their child should be encouraged to join online lessons to ensure they do not fall behind with their school work. This is dependent on the student being well enough.
- There is an expectation that student should still try to complete homework during periods of absence. This will be reviewed on an individual basis.
- Do everything they can to prevent unnecessary school absences, such as making medical and dental appointments outside of school hours.
- Work with the Attendance & Welfare Officer when required to secure an improvement in attendance.
- Keep the School informed of any circumstances which may affect their child's attendance and work with staff in resolving any issues that may be having an impact on their child.
- Enforce a regular routine at home in terms of homework, bedtime, etc. so that the child is used to consistency and the school day becomes part of that routine. It is vital that the child receives the same message at home as they do at the School about the importance of attendance.
- Do not take their children out of the School for holidays during term time. Parents do NOT have the right to remove their child from education without prior permission from the Headteacher. If parents would like to make a special request for a Leave of Absence due to exceptional circumstances, they may do by following the Leave of Absence procedures (as detailed in section 4). The Headteacher has the right to refuse requests for any Leave of Absence in accordance with Local

Authority Guidelines.

- Schools and families will be monitored and supported on an individual basis, considering the school and family needs, environmental factors, agency involvement and any other concerns. Support and / or sanctions will be determined by these factors.
- Actively encourage and support your child in attending after school sessions to catch up on any missing learning

STUDENTS:

Students are expected to:

- Attend school every day on time
- Attend every timetabled session on time.
- Catch up on missing school work if absent.
- Complete any outstanding homework if absent.
- Attend after school session to catch up on missing work.

4. RECORDING ATTENDANCE

4.1 ATTENDANCE REGISTER

Tanfield School records attendance using Arbor. Categories of absence and procedure for reporting absences Attendance register. By law, all schools (except those where all students are boarders) are required to keep an attendance register, and all students must be placed on this register.

The attendance register will be taken at the start of the first session of each school day and once during the second session. It will mark whether every student is:

- Present
- Attending an approved off-site educational activity
- Absent
- Unable to attend due to exceptional circumstances
- Unable to attend due to self-isolation/ quarantine in relation to COVID 19

monitoring criteria.

Any amendment to the attendance register will include:

- The original entry
- The amended entry
- The reason for the amendment
- The date on which the amendment was made
- The name and position of the person who made the amendment.

We will record:

- Whether the absence is authorised or not
- The nature of the activity if a student is attending an approved educational activity
- The nature of circumstances where a student is unable to attend due to exceptional circumstances.

Every entry in the attendance register will be preserved for 3 years after the date on which the entry was made:

- Students must arrive in school by 8.30am on each school day.
- The register for the first session will be taken at 8.40am and will be kept open until 9.10am. The register for the second session will be taken at period 5 (12.35pm & 1.25pm) and will be kept open for 30 minutes after the beginning of each period.
- See appendix 1 for the DfE attendance codes.

.

4.1 UNPLANNED ABSENCE AND ILLNESS

Parents must notify the School on the first day of an unplanned absence – for example, if their child is unable to attend due to ill health – by 8.30am or as soon as practically possible (see also section 6). This can be done either by phone call,

WEDUC, text message to your child's Year manager or email to the School.

For students with attendance above 95% absence due to illness, this is likely to be authorized, unless the School has a genuine concern about the authenticity of the illness.

If the authenticity of the illness is in doubt or the student's attendance is below 95%, the School may ask parents to provide medical evidence, such as a doctor's note, prescription, appointment card or other appropriate form of evidence. We will not ask for medical evidence unnecessarily.

If the School is not satisfied about the authenticity of the illness, the absence will be recorded as unauthorised, and parents will be notified of this in advance.

4.2 PLANNED ABSENCE

Medical or Dental Appointments

Attending a medical or dental appointment will be counted as authorised as long as the student's parent/carer notifies the school in advance of the appointment.

However, we encourage parents/carers to make medical and dental appointments out of school hours where possible. Where this is not possible, the student should be out of school for the minimum amount of time necessary e.g. if it is a morning appointment the student should try to attend school for the afternoon school session.

.

4.3 AUTHORISED ABSENCES

The student's parent/carer must also apply for other types of term-time absence as far in advance as possible of the requested absence. Go to section 5 to find out which term-time absences the school can authorise.

There may be some instances where the School will authorise absence such as for a family bereavement. All authorised absences other than medical appointments or illness require a Leave of Absence form to be completed. These can be collected from reception or by contacting school.

4.4 LATENESS AND PUNCTUALITY

A student who arrives late:

- Before the register has closed will be marked as late, using the appropriate code
- Schools who arrive after 8.30am should go straight to reception to sign in and give a reason for their lateness. Any unjustifiable reason for lateness will be marked as unauthorised. It is vital that schools sign in at reception to ensure that appropriate health and safety regulations are followed and that all schools are accounted for.
- Persistent lateness may result in disciplinary action in accordance with the School's Behaviour Policy (This will be an after school detention).
- The Attendance Officer will investigate any concerns regarding lateness. Parents will be invited in to school to meet and discuss reasons for lateness and in some cases a referral will be made to the Local Authority Attendance Team will be made and consider the need to follow legal proceedings to secure regular and punctual attendance.

4.5. FOLLOWING UP ABSENCE.

- When a parent/carer contacts school they will receive a follow up call to discuss their child's absence.
- A member of the office staff will make an initial welfare call for any student with attendance over 95%
- Year Managers will make a welfare call or home visit when a student is absent and has attendance lower than 95%
- The Attendance Officer or Home School Liaison Officer will make follow up phone calls for those students who are persistently or severely absent.

4.6 FOLLOWING UP UNEXPLAINED ABSENCE

Where any student we expect to attend school does not attend, or stops attending, without reason:

- The Attendance Officer or Home School Liaison Officer will call the student's parent/carer on the morning of the first day of unexplained absence to ascertain the reason. If the school cannot reach any of the student's emergency contacts, the school complete a home visit. The School will continue to call the parent/carer on each day that the absence continues without explanation to ensure proper safeguarding action is taken where necessary. Where there are concerns, the school will contact the police or Social Services.
- The school will Identify whether the absence is approved or not
- The School will Identify the correct attendance code to use and input it as soon as the reason for absence is ascertained – this will be no later than 5 working days after the session
- If absence continues, the school will consider involving the Local Authority Attendance Improvement Team

SUSPENSION FROM SCHOOL

A suspension from School is treated as an authorised absence. These will be dealt with in line with the School's Behaviour. If a student is suspended from school they are to remain in the house and not to be in a public place during the hours of the school day. The parents/carers of any student found in public during this time will receive a fixed penalty notice.

5. AUTHORISED AND UNAUTHORISED ABSENCE

5.1 APPROVAL FOR TERM-TIME ABSENCE

The headteacher will only grant a leave of absence to a student during term time if they consider there to be 'exceptional circumstances'. A leave of absence is granted at the headteacher's discretion, including the length of time the student is authorised to be absent for.

The school considers each application for term-time absence individually, taking into account the specific facts, circumstances and relevant context behind the request.

Any request should be submitted as soon as it is anticipated and, where possible, at least 4 weeks in advance. The School may require evidence to support any request for leave of absence.

Valid reasons for **authorised absence** include:

- Illness and medical/dental appointments

Religious observance –

The School recognises that there may be times where children of different faiths observe religious festivals that fall outside of school holidays and weekends and will allow authorised absence for these times. These absences will be verified by the Attendance Officer in conjunction with Durham County Council as they hold the official record for dates of religious observance.

Parents will be aware of these dates and should give the school written notification in advance.

OCCUPATIONAL PURPOSES

Traveller students travelling for occupational purposes – this covers Roma, English and Welsh Gypsies, Irish and Scottish Travellers, Showmen (fairground people) and Circus people, Bargees (occupational boat dwellers) and New Travellers. Absence may be authorised only when a Traveller family is known to be travelling for occupational purposes and has agreed this with the School, but it is not known whether the student is attending education

FAMILY HOLIDAYS AND EXTENDED LEAVE

We do not permit absence for holiday periods. However, it is within the headteacher's power (or deputy headteacher, authorized by the headteacher) to grant an authorised leave of absence for exceptional circumstances examples of exceptional circumstances could include overseas family issues / emergencies, health related issues and associated recovery, exceptional opportunities that would enhance the life experiences of the school. (The circumstances will be considered individually before a decision is made).

NO authorisation is possible without a completed leave of absence form. (Available from reception). We ask parents to give at least 4 weeks notice.

All requests for authorised absence will be responded to in writing and will outline

the details of any possible sanctions. All information regarding leave of absence will be passed to the Attendance Officer who will follow Local Authority procedures for unauthorised absence. Parents should contact the School immediately if there will be a cause for delay from the stated date of return.

WHAT DOES THE LAW SAY ABOUT HOLIDAYS IN TERM TIME?

It says that from 1st September 2013, Head Teachers may not grant any leave of absence during term time unless there are exceptional circumstances. Head Teachers should determine the number of school days a child can be away from school if the leave is granted.

If school refuses to authorise my term time holiday request, will I receive a fine (Fixed Penalty Notice) and can I be prosecuted?

Durham County Council's Fixed Penalty Notice Protocol acknowledges that regular and punctual attendance at school is both a legal requirement and essential for students to maximise their educational opportunities.

Circumstances where a Penalty Notice might be issued include unauthorised holidays in term time, but only where the holiday absence amounts to seven days or more in any period up to a maximum twelve rolling school weeks. You can be prosecuted if you receive a fine and it is not paid.

Under the Education Act 1996, parents commit an offence if they fail to ensure their child's regular school attendance. Taking a child out of school for a holiday without permission, and where the absence amounts to ten days or more of unauthorised absence is viewed as failing to ensure your child's regular attendance at school.

Payment of a Penalty Notice, where offered, is an alternative to prosecution. If unpaid, prosecution for the Education Act offence may therefore ensue. A fine will be issued to each person with parental responsibility for the child / children who is deemed liable for the offence / offences.

FOLLOW UP ABSENCE FLOW CHART

Where there are unexplained or unauthorised absences, the School will contact the parents or carers. If a pattern of unauthorised absences emerges, the Attendance Officer will investigate and implement strategies according to the individual case.

Sept tutors will require schools to provide a written explanation from their parents/carers for their absence upon the school's return from absence.

Where schools have been away for either short or long term, the School will support that child when they return to help them catch up on any work that they have missed.

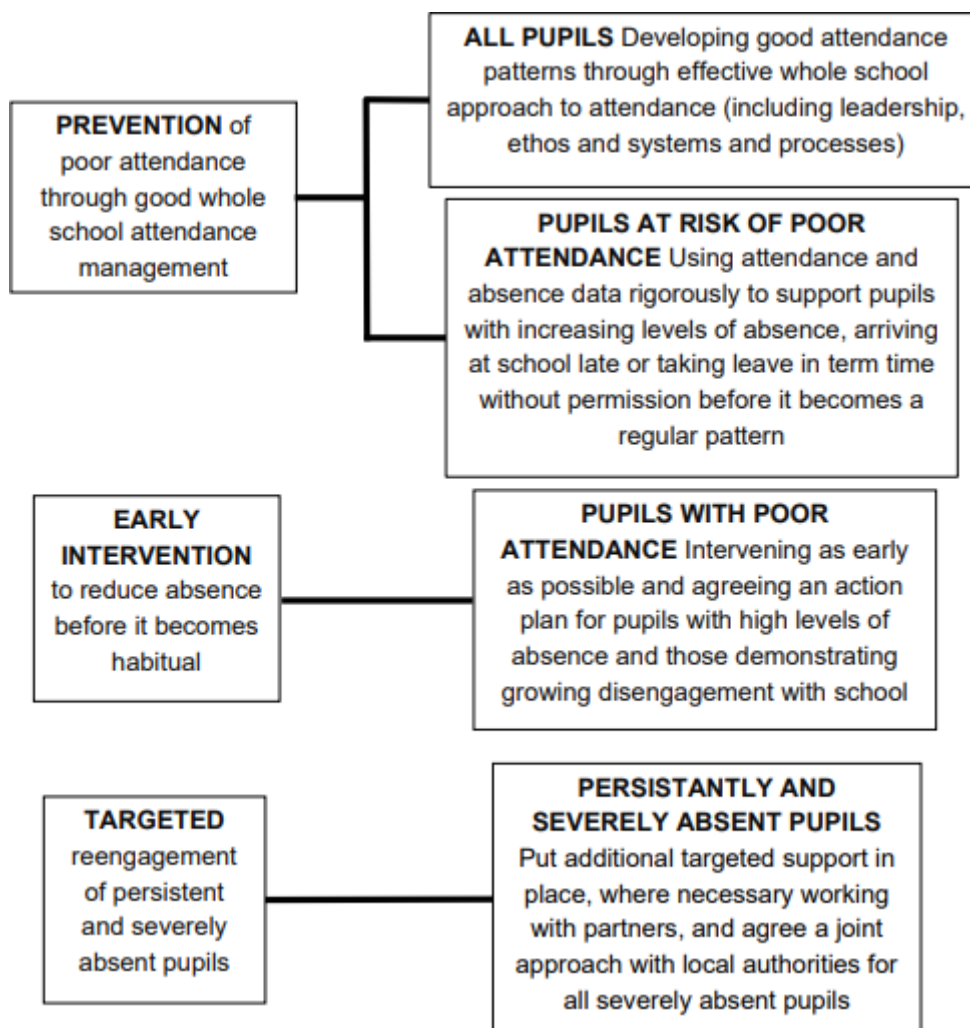

The School will take disciplinary action against any schools who are discovered to be truanting and parents or carers will be contacted to discuss possible reasons. Sanctions may be taken against parents who condone truancy.

MONITORING ATTENDANCE

ATTENDANCE MONITORING FOR SCHOOLS AT RISK/ VULNERABLE

All schools are monitored closely including all schools who are currently recorded as vulnerable or at risk. Full and contemporaneous evidence is gathered and all causes for concern are recorded / reported / acted upon immediately with appropriate staff and external agencies. Safeguarding procedures and agency referral procedures are followed. Vulnerability and risks include safeguarding, young carers, risk of criminality, youth offending service, substance misuse, Child Sexual Exploitation, mental health, parental mental health and parental learning disabilities and those missing from education. This list is not exhaustive.

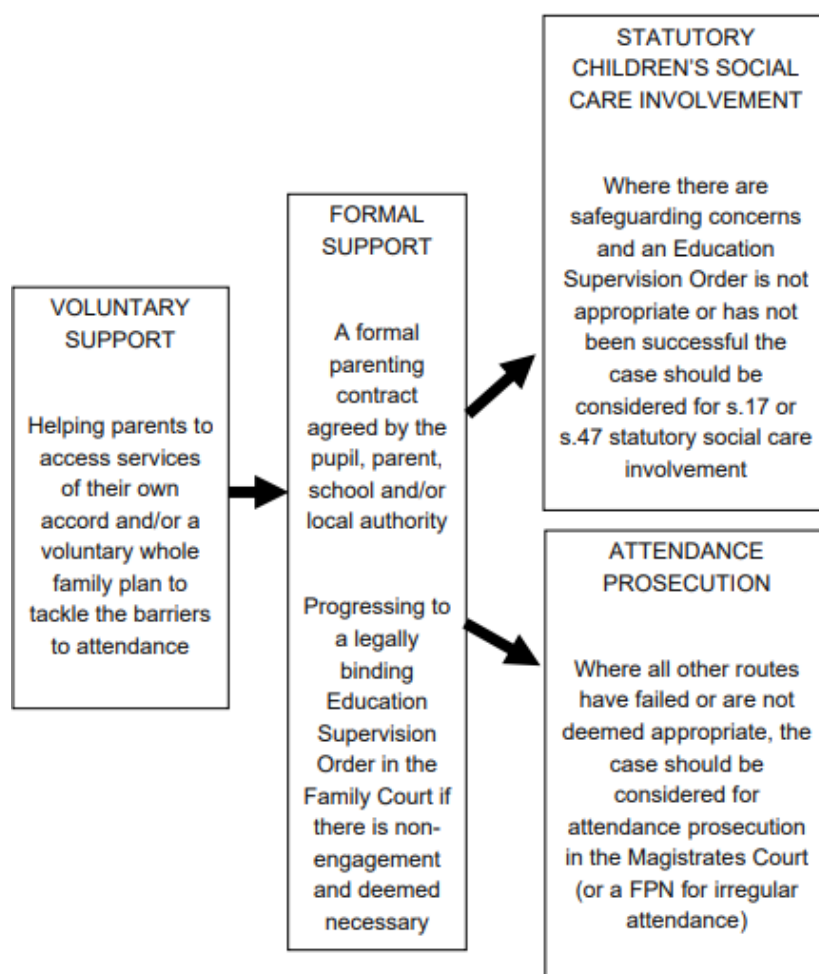

Persistent (less than 90%) and severe absence (less than 50%)

MISSING CHILDREN

The LA procedures to safeguard missing children states that the Attendance Officer (where a school does not buy the service of an EWO) should be responsible for the check and contacting the CME officer at Durham County Council. Procedures should be followed and removal of a child from roll ONLY in strict accordance with regulation 8(h)(iii) of the (Student Registration Education) Regulations 2006.

THIS ONLY applies to children who have moved from the area to an UNKNOWN location, and the school at which the child is currently registered has not been informed of a new address or new school. It must NOT be used if an address or location IS known. Evidence must be gathered to prove reasonable enquiries have been made to establish the whereabouts of the child and family. **Legal sanctions**

- The School and LA will make use of the full range of legal interventions rather than relying solely on fixed penalty notices or prosecution. It is for individual schools and local authorities to decide whether to use them in an individual case after considering the individual circumstances of a family.

These are:

- Parenting contracts
- Education supervision orders
- Attendance prosecution
- Parenting orders
- Fixed penalty notices 91.

Local authorities can fine parents for the unauthorised absence of their child from school, where the child is of compulsory school age.

If issued with a penalty notice, parents must pay £60 within 21 days or £120 within 28 days. The payment must be made directly to the local authority.

A referral to the Local Authority will be made dependent on criteria being met. This may take into account:

- Several unauthorised absences occurring within a rolling academic year
- One-off instances of irregular attendance, such as holidays taken in term time without permission
- Where an excluded student is found in a public place during school hours without a justifiable reason

If the payment has not been made after 28 days, the local authority can decide whether to prosecute the parent or withdraw the notice.

Strategies for promoting attendance

- Regular communication with parents
- Weekly displays of attendance by week and to date in assembly to ensure continuous whole school focus.
- Online facilities for parents to see school attendance
- "Pink slip" system for schools with persistent absence to complete missed work and minimize impact on learning
- Back to school interviews to identify if further support is required for reintegration
- Lunchtime queue jumpers for sept groups with 100% for 1 week
- Other intervention strategies are used throughout the year.

ATTENDANCE MONITORING

The school will:

Monitor attendance and absence data half-termly, termly and yearly across the school and at an individual student level

Identify whether or not there are particular groups of children whose absences may be a cause for concern

Student-level absence data will be collected each term and published at national and local authority level through the DfE's school absence national statistics releases. The underlying school-level absence data is published alongside the national statistics. The school will compare attendance data to the national average, and share this with the governing board.

Year Managers, the Attendance Officer, Home School Liason Officer and Deputy Headteacher monitors student absence daily.

Parents are expected to call the School in the morning if their child is going to be absent due to ill health.

School will attempt to make a follow up call on the first day of your child's absence, regardless if parents/carers have informed school of their child's absence.

If a student's absence goes above 2 days, we will contact the parents again to discuss the reasons for this.

If after contacting parents a student's absence continue to rise, we will consider involving the Local Authority Attendance Team.

The persistent absence threshold is 10%. If a student's individual overall absence rate is greater than or equal to 10%, the student will be classified as a persistent absentee and a referral to the Local Authority Attendance Team will be made.

Student-level absence data is collected each term and published at national and local authority level through the DfE's school absence national statistics releases. The underlying school-level absence data is published alongside the national statistics. We compare our attendance data to the national average and share this with governors.

7.2 ANALYSING ATTENDANCE

The school will:

Analyse attendance and absence data regularly to identify students or cohorts that need additional support with their attendance, and use this analysis to provide targeted support to these students and their families

Look at historic and emerging patterns of attendance and absence, and then develop strategies to address these patterns

7.3 USING DATA TO IMPROVE ATTENDANCE

The school will:

Provide regular attendance reports to key staff and other school leaders, to facilitate discussions with students and families

Use data to monitor and evaluate the impact of any interventions put in place in order to modify them and inform future strategies

7.4 REDUCING PERSISTENT AND SEVERE ABSENCE

Persistent absence is where a student misses 10% or more of school, and severe absence is where a student misses 50% or more of school.

The school will:

Use attendance data to find patterns and trends of persistent and severe absence

Hold regular meetings with the parents of students who the school (and/or local authority) considers to be vulnerable, or are persistently or severely absent, to discuss attendance and engagement at school.

Create a personal support plan with parents and students and agree targets to support students improving attendance.

Provide access to wider support services to remove the barriers to attendance
