TANFIELD SCHOOL UNIFORM

The DFE strongly encourages schools to have a uniform as it can play a key role in:

- promoting the ethos of a school
- providing a sense of belonging and identity
- setting an appropriate tone for education

By creating a common identity amongst all pupils, regardless of background, a school uniform can act as a social leveller. It can reduce bullying and peer pressure to wear the latest fashions or other expensive clothes as well as reducing the pressure on parents to buy the latest accessories.

COST OF UNIFORM

Tanfield School recognises that if school uniform is too expensive it can place an unreasonable burden on families. Furthermore, as fashions change and manufacturers push the boundaries for acceptable 'school wear' the challenge of maintaining a fair and consistent approach does not diminish. If a distinction can be made between those who can afford it and those who cannot, this can reduce the benefits of a uniform and has the potential to negatively impact attendance, access and participation, and lead to bullying.

Tanfield School has kept the number of branded items to the bare minimum, whilst maintaining our high expectations and standards of presentation. Branded items are those items that have distinctive characteristics which make it unique to the school. For example; Tanfield School Blazer, tie, and Tanfield sports tops are our only compulsory branded items. To ensure the school acts as a social leveller, other items that are branded but are optional; This includes the Tanfield Tartan Skirt (this is only compulsory if a student wishes to wear a skirt instead of trousers) and the tank top.

The school has taken in to account the overall cost of uniform and ensured that there are a number of generic items that can be purchase from a number high street stores (this includes low cost outlets). This is to give parents choice and allow them to take control of the cost of school uniform. We have also ensured that we have made no changes to uniform specifications and no do not expect to do so in the foreseeable future without consulting parents first.

DRESS CODE

The school has a dress code that all students are expected to follow. We will insist on perfect uniform: not nearly perfect but perfect. This is because we want children at Tanfield to be proud members of the school. Evidence suggests that sloppy uniforms lead to sloppy behaviour and sloppy learning habits for many students. Uniform is not a fashion item. It is designed to be both formal and comfortable.

There is an emphasis on being clean, tidy and presentable. Students should recognise that conflict over the dress code is inappropriate. The dress code applies both within school and on the journey to and from school.

In the cases of extreme weather, the headteacher has the discretion of relaxing the uniform. This will be communicated to students as they arrive to school or a message sent to parents. Parents and students should always assume that unless directed otherwise, students should wear their usual uniform.

LEGAL DUTIES UNDER THE EQUALITY ACT 2010

The Equality Act 2010 prohibits discrimination against an individual based upon protected characteristics, which include sex, disability, race, religion and gender reassignment.

To avoid discrimination the school will:

- Avoid listing uniform items based on sex, to give all students the opportunity to wear the Tanfield School uniform they feel most comfortable in or that most reflects their self-identified gender.
- Allow students to wear religious or cultural symbols

The school will do this is by:

- carefully considering items with distinctive characteristics
- limiting the amount of distinctive characteristics
- consider limiting distinctive characteristic items to low-cost or long-lasting items
- avoid specific requirements for items students could wear on non-school days, such as coats, bags and shoes
- keeping the number of optional branded items to a minimum
- avoiding different uniform requirements for different classes, years, houses and extra-curricular activities
- ensuring that pre-loved/second-hand uniform can be obtained at the school
- consulting with all stakeholders on any proposed significant changes to the uniform policy

VALUE FOR MONEY

The school believes that our uniform policy and suppliers should offer value for money and that the cost of uniform should never be a barrier to a child attending the school. Therefore, the school will ensure the following:

- Keep branded items to a bare minimum and ensure generic items can be purchased at a number of high street retailers.
- Uniform costs and durability are balanced to ensure good value for money.
- The school has a system for collecting and storing donated uniform that is previously worn but in good condition that can be accessed by families who need this, free of charge.
- The school will help families with financial assistance, where appropriate and as needed, when cost is a barrier to their child attending school and meeting our uniform expectations. This can be discussed and agreed on a case by case basis.
- The basic school uniform only has very minimal branding and colour ranges to ensure that suitable alternatives can be found in high street stores, whilst still meeting our high expectations and codes.
- One uniform is suitable for the whole year and no summer/ winter uniform is required.
- No specific requirements for colour/ style of coats or bags other than they are suitable for school and the carrying of books/ kit. Coats should be waterproof- no tracksuit tops with hoods.

If there is a medical reason why school shoes cannot be worn then a doctor's note must be brought to school by the student and the issue resolved as soon as possible. The school will consider financial support when the cost of shoes/ uniform is prohibitive to students.

Please note that no watches should be worn during PE. These should be removed and put in a safe place during all PE lessons.

If in doubt of any items of uniform, parents/carers should ask school before purchasing them. Parents should not be pressurised or convinced by their child to buy the incorrect uniform as this can be expensive if it does not meet our high standards regarding appearance and presentation.

The Headteacher reserves the right to address/ prohibit anything we feel is excessive, inappropriate or extreme.

IF A STUDENT IS WEARING INCORRECT OR NON-UNIFORM ITEMS, THE FOLLOWING WILL HAPPEN:

Parents and carers are expected to make sure that their child has the correct uniform and sports kit.

The DFE states that schools can sanction students for breaching the school's rules on appearance or uniform. This will be carried out in line with the schools behaviour policy.

If a student is not conforming to the uniform policy:

- phone call home will be made to parents alerting them of the problem.
- Students will be required to correct the issue the same day.
- If the problem cannot be rectified immediately the student will continue learning in isolation, including breaks and lunch until a parent/carer can bring in correct uniform items.
- If we cannot contact parents/carers, the student will continue to be isolated until the issue is resolved
- they will be given a date to correct it by.
- We always try to work closely with families to resolve issues in partnership. However, if a student persistently breaks uniform code then the school will implement sanctions in line with the School's behaviour policy.

Please note these are not sequential; any may be applied depending on the circumstances. Incidents will be logged using our behaviour management system.

Year Managers should be contacted if parents want to request an amendment to the uniform policy in relation to:

- a protected characteristic
- the cost of the uniform

The school will not be responsible for the loss/ damage and incurred costs of any prohibited or sanctioned items; this includes jewellery, watches, wallets, mobile phones, electronic devices and designer items such as coats or bags. We do not recommend such items are brought into school and are only done so at the students own risk.

The school upholds our right in law to search students and confiscate items – details of this can be found in the Behaviour Policy.

GOVERNORS

The governing body will review this policy and make sure that it:

- is appropriate for our School
- is implemented fairly
- offers uniform that is appropriate, practical and safe for all students
- gives the highest priority to cost and value for money.
